Wivenhoe History Group members all have an interest in exploring Wivenhoe's past. The group holds regular meetings and membership is free. Members research all aspects of local history which is published on the group website: www.wivenhoehistory.org.uk For further information about the group, please contact Peter Hill: peter@toadhall2.co.uk

This trail is dedicated to John Stewart who died earlier this year. John was a cornucopia of local knowledge and an inspiration to us all.

This leaflet was produced by History Group members, with help from Alison Stockmarr and Vince Rayner. It was printed by Osborn Printers (Brightlingsea) and funded by Colchester Borough Council. This project was supported by Heritage Open Days.
